# TELEHEALER

**REVOLUTIONIZING MEDICINE  
THROUGH EFFORTLESS  
CLINICAL DOCUMENTATION**

# ADVANTAGES

It's that  
easy!

Better  
data

Better  
documentation

Increased  
profits!

## HOW DOES IT WORK?

Patients schedule a visit, download the free doctor recommended Telehealer app, and buy any required health-measuring devices. Your doctor calls to evaluate your condition, collects vitals, sends Rx and lab orders all from within the app.

## COSTS

- No upfront cost
- First 1 month free
- Subscription based pricing for telehealth visits
- \$5 / patient monthly for remote patient monitoring
- Reimbursements equal to in-office visits
