# TELEHEALER

**REVOLUTIONIZING MEDICINE  
THROUGH EFFORTLESS  
CLINICAL DOCUMENTATION**

# HOW DOES IT WORK?

Patients schedule a visit, download the free doctor recommended Telehealer app, and buy any required health-measuring devices. Your doctor calls to evaluate your condition, collects vitals, sends Rx and lab orders all from within the app.

“

IT'S AS EASY AS A PHONE CALL.

SAFE AND SECURE AS A REGULAR VISIT.
